DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The amendment filed 11/17/2004 is acknowledged and entered into the record. The communication filed 6/29/2004 is not fully responsive to the Office action mailed 6/29/2004 for the reasons set forth below.

It appears that the amendment filed does not correspond to the office action mailed on 6/29/2004. For example, in the office action mailed 6/29/2004, claims 1-4, and 6 were examined on the merits, however, in the response filed 11/17/2004, claim 7 has been added as an examined claim. In addition, rejections under 35 USC 112, 1st paragraph (enablement), 112, 2nd paragraph, 102(e), and 103(a) rejections have been set forth, while the response filed 6/29/2004 addressed rejection under 112, 1st (enablement and written description), 2nd and 102(b). It also appears that the response filed corresponds to an office action mailed 8/11/2004 for another pending US application.

Since the reply appears to be bona fide attempt to comply with the requirements of the sequence rules (37 CFR 1.821 - 1.825), applicant is given a TIME PERIOD of ONE (1) MONTH from the mailing date of this communication within which to correct the deficiency so as to comply with the sequence rules (37 CFR 1.821 - 1.825) in order to avoid abandonment of the application under 37 CFR 1.821(g). EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a) and run from the date of mailing of the Office Communication mailed 20 Sep 2001. In no instance may the period for reply extend beyond the statutory period.

Any inquiry concerning this communication should be directed to Examiner Christopher Yaen, Art Unit 1642, whose telephone number is (571) 272-0838. Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (571) 272-1600.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeffrey Siew, can be reached on (571) 272-0787.
